Q1.

Introduction:

COMMUNITY BENEFIT NARRATIVE REPORTING INSTRUCTIONS

The Maryland Health Services Cost Review Commission's (HSCRC's or Commission's) Community Benefit Report, required under §19-303 of the Health General Article, Maryland Annotated Code, is the Commission's method of implementing a law that addresses the growing interest in understanding the types and scope of community benefit activities conducted by Maryland's nonprofit hospitals.

The Commission developed a two-part community benefit reporting system that includes an inventory spreadsheet that collects financial and quantitative information and a narrative report to strengthen and supplement the inventory spreadsheet. The guidelines and inventory spreadsheet were guided, in part, by the VHA, CHA, and others' community benefit reporting experience, and was then tailored to fit Maryland's unique regulatory environment. This reporting tool serves as the narrative report. The instructions and process for completing the inventory spreadsheet remain the same as in prior years. The narrative is focused on (1) the general demographics of the hospital community, (2) how hospitals determined the needs of the communities they serve, (3) hospital community benefit administration, and (4) community benefit external collaboration to develop and implement community benefit initiatives.

The Commission moved to an online reporting format beginning with the FY 2018 reports. In this new template, responses are now mandatory unless marked as optional. If you submit a report without responding to each question, your report may be rejected. You would then be required to fill in the missing answers before resubmitting. Questions that require a narrative response have a limit of 20,000 characters. This report need not be completed in one session and can be opened by multiple users.

Q38. (Optional) Is there any other information about your hospital that you would like to provide?

MedStar Southern Maryland Hospital Center is a full-service acute care facility with more than 49,000 emergency room visits and nearly 12,000 admissions each year. Our hospital's commitment to advanced technology distinguishes it from community hospitals. Our hospital's Cardiac Catheterization Laboratory is the site of life-saving interventions for heart attack patients, elective angioplasties, and diagnostic procedures. MedStar Southern Maryland Hospital Center is also known for orthopedic surgery and has a strong partnership with MedStar Heart and Vascular Institute and the Cleveland Clinic Miller Family Heart & Vascular Institute. In 2010, we expanded the Women and Newborns Center, and our enhanced obstetrics and gynecology program includes private rooms and the region's only Level II Special Care Nursery.

Please describe how the needs and priorities identified in your most recent CHNA compare with those identified in your previous CHNA.

> The needs identified in the 2015 and 2018 CHNA are comparable. Both assessments identified chronic diseases such as heart disease and stroke as priority areas. The 2015 CHNA expanded it's reach to focus on heart disease and diabetes while the 2018 CHNA added behavioral health services to needs identified.

Q58. (Optional) Please use the box below to provide any other information about your CHNA that you wish to share.

> During FY19, key revisions were made across MedStar Health to more effectively impact the communities served throughout Maryland and Washington, DC. Several internal meetings were convened with leadership from each MedStar Health Hospital to review current practices and strategies. As a result of these meetings, the approach to the current Community Health Needs Assessment (CHNA) for the remainder of the three-year cycle (FY19-FY21) was revised. Using the standard categories, Health and Wellness, Access to Care and Social Determinants of Health to determine what to prioritize for the CHNA IRS requirements, each hospital agreed to select two to three strategies as priorities that have size and scale impact and measurable outcomes. MedStar Southern Maryland Hospital Center's health priorities for the CBSA include health and wellness (chronic disease prevention and management, behavioral health, maternal and child health programming) and social determinants of health (Community Health Worker program).

Q59. (Optional) Please attach any files containing information regarding your CHNA that you wish to share.

Q64. Section III - CB Administration Part 2 - Process & Governance

Q65. Does your hospital conduct an internal audit of the annual community benefit financial spreadsheet? Select all that apply.

- ☑ Yes, by the hospital's staff
- ☑ Yes, by the hospital system's staff
- ☐ Yes, by a third-party auditor
- ☐ No

Q66. Does your hospital conduct an internal audit of the community benefit narrative?

- ◉ Yes
- ◯ No

Q67. Please describe the community benefit narrative audit process.

The internal review of the Community Benefit Report is performed by the Administrative Director, Population Health, the Financial Services Manager, and the CFO. The CFO provides oversight of the CBISA reporting function, auditing process and approval of Community Benefit funding. The CEO's signature is obtained through an attestation letter supporting their approval of the Community Benefit Report. The MedStar Health Corporate Office also conducts a review/audit of the hospital's Community Benefit Report annually.

Q68. Does the hospital's board review and approve the annual community benefit financial spreadsheet?

- ● Yes
- ○ No

Q69. Please explain:

This question was not displayed to the respondent.

Q70. Does the hospital's board review and approve the annual community benefit narrative report?

- ● Yes
- ○ No

Q71. Please explain:

This question was not displayed to the respondent.

Q72. Does your hospital include community benefit planning and investments in its internal strategic plan?

- ● Yes
- ○ No

Q73. Please describe how community benefit planning and investments are included in your hospital's internal strategic plan.

> MedStar Health's vision is to be the trusted leader in caring for people and advancing health. As part of MedStar Health's fiscal 2018-2020 system strategic plan (which acts as the umbrella plan for all MedStar hospitals), community health and community benefit initiatives and tactics are organized under the Evolving Care Delivery Model domain, with recognition of health disparities and an aim to integrate community health initiatives into the interdisciplinary model of care.

Q74. (Optional) If available, please provide a link to your hospital's strategic plan.

Q75. (Optional) Is there any other information about your hospital's community benefit administration and external collaboration that you would like to provide?

Q76. (Optional) Please attach any files containing information regarding your hospital's community benefit administration and external collaboration.

Q77. Based on the implementation strategy developed through the CHNA process, please describe *three* ongoing, multi-year programs and initiatives undertaken by your hospital to address community health needs during the fiscal year.

○ Other. Please explain.

Q84. Please describe the population this initiative targets (e.g. diagnosis, age, insurance status, etc.).

This initiative targets those who are living with Type 2 diabetes or pre-diabetes. The target population of this intervention is primarily African American adults over the age of 35 as 13.9% of adults living in Prince George's County have diabetes.

Q85. Enter the estimated number of people this initiative targets.

450,000

Q86. How many people did this initiative reach during the fiscal year?

124

Q87. What category(ies) of intervention best fits this initiative? Select all that apply.

☐ Chronic condition-based intervention: treatment intervention

☑ Chronic condition-based intervention: prevention intervention

☐ Acute condition-based intervention: treatment intervention

☐ Acute condition-based intervention: prevention intervention

☐ Condition-agnostic treatment intervention

☐ Social determinants of health intervention

☐ Community engagement intervention

☐ Other. Please specify.

Q88. Did you work with other individuals, groups, or organizations to deliver this initiative?

◉ Yes. Please describe who was involved in this initiative.

Beth Shalom AME Church

○ No.

Q89. Please describe the primary objective of the initiative.

The National Diabetes Prevention Program (NDPP) addresses the increasing burden of prediabetes and type 2 diabetes in Prince George's County. It offers evidence-based, cost-effective interventions that help prevent type 2 diabetes in communities across the United States. The monthly Diabetes Support Group is meant to provide those living with pre-diabetes or diabetes guidance and education on lifestyle modifications to either prevent Type 2 diabetes or manage it properly if currently living with it. The primary focus is on diet modification.

Q90. Please describe how the initiative is delivered.

The National Diabetes Prevention Program (NDPP) is a lifestyle change program for preventing type 2 diabetes among individuals who are pre-diabetic (impaired glucose tolerance). The program teaches participants strategies for incorporating physical activity into daily life and eating healthy. Through a 16-course curriculum, lifestyle coaches help participants identify emotions and situations that can sabotage their success. The monthly Diabetes Support Group is delivered either face-to-face or virtually. The Diabetes Educator leads the support group and topics are discussed to meet the needs of the participants such as daily sugar intake, exercising for weight loss, cooking with fresh ingredients, etc.

Q91. Based on what kind of evidence is the success or effectiveness of this initiative evaluated? Explain all that apply.

- ☑ Count of participants/encounters | One of the program goals is for participants to attend at least 20 of the 22 sessions.
- ☐ Other process/implementation measures (e.g. number of items distributed) [____]
- ☐ Surveys of participants [____]
- ☑ Biophysical health indicators | 5-7% weight loss by the end of the program
- ☐ Assessment of environmental change [____]
- ☐ Impact on policy change [____]
- ☐ Effects on healthcare utilization or cost [____]
- ☐ Assessment of workforce development [____]
- ☐ Other [____]

Q92. Please describe any observed outcome(s) of the initiative (i.e., not *intended* outcomes).

85% of participants increased weekly physical activity minutes during the first NDPP cohort. 35% of NDPP participants reduced their bodyweight by 5-7% by the completion of the program.

Q93. Please describe how the outcome(s) of the initiative addresses community health needs.

This initiative helps to reduce the risk of developing Type 2 diabetes through diet and exercise lifestyle modification. 13.9% of adults living in Prince George's County are living with diabetes. This initiative works to lower that percentage in the county. In a 10-year effectiveness study, the relative risk reduction for participants who adhered to the lifestyle change program and maintained a 5% reduction in initial body weight was 49.4%.

Q94. What was the total cost to the hospital of this initiative in FY 2018? Please list hospital funds and grant funds separately.

$12,377

Q95. (Optional) Supplemental information for this initiative.

Q96. Section IV - CB Initiatives Part 2 - Initiative 2

Q100. When did this initiative begin?

> 2016

Q101. Does this initiative have an anticipated end date?

- ⦿ No, the initiative does not have an anticipated end date.
- ○ The initiative will end on a specific end date. Please specify the date. [_____]
- ○ The initiative will end when a community or population health measure reaches a target value. Please describe.

Q102. Please describe the population this initiative targets (e.g. diagnosis, age, insurance status, etc.).

The Community Health Worker Program targets residents living in and around zip codes 20735 and 20747 living with social needs such as homelessness, food insecurity, transportation barriers, access to care, etc. The primary population targeted is African Americans over the age of 40 with social needs identified.

Q103. Enter the estimated number of people this initiative targets.

153,000

Q104. How many people did this initiative reach during the fiscal year?

1843

Q105. What category(ies) of intervention best fits this initiative? Select all that apply.

☐ Chronic condition-based intervention: treatment intervention

☐ Chronic condition-based intervention: prevention intervention

☐ Acute condition-based intervention: treatment intervention

☐ Acute condition-based intervention: prevention intervention

☐ Condition-agnostic treatment intervention

☑ Social determinants of health intervention

☐ Community engagement intervention

☐ Other. Please specify.

Q106. Did you work with other individuals, groups, or organizations to deliver this initiative?

○ Yes. Please describe who was involved in this initiative.

◉ No.

Q107. Please describe the primary objective of the initiative.

The objective of the Community Health Worker Program is to serve members of the community by helping them to adopt healthy behaviors. The CHWs link the target population with social needs identified such as interpretation and translation services, provide culturally appropriate health education and information, help people get the care they need, give informal guidance on health behaviors, and to advocate for individual and community health needs.

Q108. Please describe how the initiative is delivered.

CHWs make initial contact with the community member they're serving via phone call. The CHW administers a social needs screening to identify the needs of the community member. Once needs are identified, the CHW links the individual with services to address the needs and provides additional resources. The CHW stays linked to the community member and provides follow-up calls or visits when necessary. When dealing with a hospital discharged patient, a CHW initiates contact shortly after discharge from the hospital. The CHW then helps the patient understand and follow discharge instructions, assists patient in communicating with primary care provider about any problems or changes in patient's condition, helps schedule follow up appointments, and assists with locating community support services.

Q109. Based on what kind of evidence is the success or effectiveness of this initiative evaluated? Explain all that apply.

☑ Count of participants/encounters | Count of linkage to services reflects effectiveness of program

☐ Other process/implementation measures (e.g. number of items distributed) | [   ]

☑ Surveys of participants | During final follow-up call, CHW surveys patient to ask about effectiveness and satisfaction of services provided

☐ Biophysical health indicators | [   ]

☐ Assessment of environmental change | [   ]

☐ Impact on policy change | [   ]

☑ Effects on healthcare utilization or cost | Reduction of hospital readmissions reflects effectiveness of program

☐ Assessment of workforce development | [   ]

☐ Other | [   ]

Q110. Please describe any observed outcome(s) of the initiative (i.e., not *intended* outcomes).

Observed outcomes are determined by number of linkages to social services and confirmation of services received during follow-up call. 1 in 7 Prince George's County residents are food insecure. The CHW program linked nearly 500 residents with services to address their food insecurity.

Q111. Please describe how the outcome(s) of the initiative addresses community health needs.

1 in 7 Prince George's County residents are food insecure. Other needs identified in the county are access to care, transportation, and several others. The CHW program links members of the community and patients to these social needs and health care services that may not otherwise be made available to them.

Q112. What was the total cost to the hospital of this initiative in FY 2018? Please list hospital funds and grant funds separately.

$99,020

Q120. Please describe the population this initiative targets (e.g. diagnosis, age, insurance status, etc.).

This initiative targets Prince George's County residents with at-risk and dependent substance and/or alcohol use behaviors.

Q121. Enter the estimated number of people this initiative targets.

108,000

Q122. How many people did this initiative reach during the fiscal year?

39,351

Q123. What category(ies) of intervention best fits this initiative? Select all that apply.

- ☑ Chronic condition-based intervention: treatment intervention
- ☐ Chronic condition-based intervention: prevention intervention
- ☐ Acute condition-based intervention: treatment intervention
- ☐ Acute condition-based intervention: prevention intervention
- ☐ Condition-agnostic treatment intervention
- ☐ Social determinants of health intervention

- ☐ Other. Please specify.

Q124. Did you work with other individuals, groups, or organizations to deliver this initiative?

- ⦿ Yes. Please describe who was involved in this initiative.

  Mosaic Group, a nationally recognized public health consulting firm with expertise in SBIRT implementation in Maryland, partners with MedStar to execute the SBIRT program.

- ○ No.

Q125. Please describe the primary objective of the initiative.

Identify people with at-risk and dependent substance and/or alcohol use behaviors, and provide brief early intervention services to those who screen positively for risky drug and alcohol use

Q126. Please describe how the initiative is delivered.

The intervention provides universal screening to patients in the emergency department for substance use. Patients that require an intervention are paired with Peer Recovery Coach. The intervention is focused on overdose prevention education, harm reduction and naloxone distribution. An extension of the SBIRT program called Opioid Survivor Outreach Program is a community-based approach to working with opioid overdose survivors. These individuals provide harm reduction, education, and community-based coordination with patients.

Q127. Based on what kind of evidence is the success or effectiveness of this initiative evaluated? Explain all that apply.

☑

| Count of participants/encounters | The goal is to screen 75% of patients entering the ED, provide 60% brief interventions, refer 15% to treatment, and link 50% to treatment. |

☐ Other process/implementation measures (e.g. number of items distributed) [   ]

☐ Surveys of participants [   ]

☐ Biophysical health indicators [   ]

☐ Assessment of environmental change [   ]

☐ Impact on policy change [   ]

☐ Effects on healthcare utilization or cost [   ]

☐ Assessment of workforce development [   ]

☑ Other | Number of screenings completed, number of brief interventions provided, number of referrals to treatment, and number of linkages to treatment |

Q128. Please describe any observed outcome(s) of the initiative (i.e., not *intended* outcomes).

> Outcomes are determined by number of interventions provided by peer recovery coaches, referrals to treatment, and confirmed linkages to treatment. For FY20 there were a total of 39,351 screenings completed, 1,338 brief interventions, 177 referrals to treatment and 35 linkages to treatment.

Q129. Please describe how the outcome(s) of the initiative addresses community health needs.

> Substance abuse is a public health crisis and has reached epidemic proportions nationally and in the Washington, DC/Maryland region. MedStar Health's 2018 Community Health Needs Assessment identified behavioral health, including mental health and/or substance abuse as an identified need. Data show that patients who have been diagnosed with substance use disorders have more health complications, experience higher costs of care and are readmitted to the hospital more frequently. Implementing the Screening Brief Intervention Referral to Treatment (SBIRT) evidence-based practice is one way MedStar is addressing this epidemic.

Q130. What was the total cost to the hospital of this initiative in FY 2018? Please list hospital funds and grant funds separately.

> $249,011

Thank you for submitting the FY 2020 Hospital Community Benefit Narrative report for MedStar Southern Maryland Hospital Center. In reviewing the narrative, we encountered an item that requires clarification:

- It appears that, in the final submission we have on file, the questions under section V (Physician Gaps & Subsidies) were not displayed properly. We have attached a separate response that we have on file that includes responses in this section. Please indicate whether the attached responses are the intended responses to this section.

Please provide your clarifying answers as a response to this message.

Q141. As required under HG §19-303, please select all of the gaps in physician availability in your hospital's CBSA. Select all that apply.

☐ No gaps

☑ Primary care

☑ Mental health

☑ Substance abuse/detoxification

☐ Internal medicine

☐ Dermatology

☐ Dental

☐ Neurosurgery/neurology

☐ General surgery

☐ Orthopedic specialties

☑ Obstetrics

☐ Otolaryngology

☑ Other. Please specify. cardiology

Q142. If you list Physician Subsidies in your data in category C of the CB Inventory Sheet, please indicate the category of subsidy, and explain why the services would not otherwise be available to meet patient demand.

Hospital-Based Physicians	☐ MedStar Southern Maryland provides physicians (hospitalists) for patients who do not have primary care providers handling their stay. Our community includes many low-income and minority families who have this requirement. The community's need for these services are being met, and a negative margin is generated.
Non-Resident House Staff and Hospitalists	
Coverage of Emergency Department Call	
Physician Provision of Financial Assistance	
Physician Recruitment to Meet Community Need	☐ Women's & Children Services: Physician practices provide healthcare services for obstetrics and gynecology. A negative margin is generated. A large number of our patients receiving these services are from minority and low-income families. Prenatal care is provided. Ob-Gyn coverage is provided 24 hours a day. Preventive measures and improvement of the patient's health status are achieved. The services address a community need for women's health and children's services for lower income and minority families.
Other (provide detail of any subsidy not listed above)	☐ Psychiatric Services: MedStar Southern Maryland Hospital Center absorbs the cost of providing psychiatric supervision for the Emergency Department on a 24-7 basis. If these services were not provided, patients would be transported to another facility to receive them. The community needs are being met and commitment to patients is exhibited by providing these services.
Other (provide detail of any subsidy not listed above)	☐ Multiple service lines are being subsidized because the patient population would have to travel a minimum of 43 miles for services
Other (provide detail of any subsidy not listed above)	

Corporate Policies

Title:	**Corporate Financial Assistance Policy**	Section:	
Purpose:	To ensure uniform management of the MedStar Health Corporate Financial Assistance Program across all MedStar Health Hospitals and Hospital-based Physician Practices	Number:	
Forms:		Effective Date:	12/01/2019

Policy

1. As one of the region's leading not-for-profit healthcare systems, MedStar Health is committed to ensuring that uninsured patients; underinsured patients meeting medical hardship criteria; and patients determined eligible for presumptive eligibility within the communities we serve who lack financial resources have access to emergency and medically necessary hospital services. MedStar hospitals and hospital based-physician practices will:

    1.1 Treat all patients equitably, with dignity, respect, and compassion.
    1.2 Serve the emergency health care needs of everyone who presents to our MedStar hospitals and hospital-based physician practices regardless of a patient's ability to pay for care.
    1.3 Assist those patients who are admitted through our admission process for non-urgent, medically necessary care who cannot pay for the care they receive.
    1.4 Balance needed financial assistance for some patients with broader fiscal responsibilities in order to keep its hospitals' doors open for all who may need care in the community.

Scope

1. In meeting its commitments, MedStar hospitals and hospital-based physician practices will work with their uninsured patients seeking emergency and medically necessary care to gain an understanding of each patient's financial resources. Based on this information and eligibility determination, MedStar hospitals and hospital-based physician practices will provide financial assistance to uninsured patients who reside within the communities we serve in one or more of the following ways:

    1.1 Assist with enrollment in publicly-funded entitlement programs (e.g., Medicaid).
    1.2 Refer patients to State or Federal Insurance Exchange Navigator resources.
    1.3 Assist with consideration of funding that may be available from other charitable organizations.
    1.4 Provide financial assistance according to applicable policy guidelines.
    1.5 Provide financial assistance for payment of MedStar hospital and hospital-based physician practice charges using a sliding-scale based on the patient's household income and financial resources.
    1.6 Offer periodic payment plans to assist patients with financing their healthcare services.

Definitions

1. **Free Care**

   100% Financial Assistance for medically necessary care provided to uninsured patients with household income between 0% and 200% of the FPL.

2. **Reduced Cost-Care**

   Partial Financial Assistance for medically necessary care provided to uninsured patients with household income between 201% and 400% of the FPL.

3. **Underinsured Patient**

   An "Underinsured Patient" is defined as an individual who elects third party insurance coverage with high out of pocket insurance benefits resulting in large patient account balances.

4. **Medical Hardship**

   Medical debt, incurred by a household over a 12-month period, at the same MedStar hospital and hospital-based physician practice that exceeds 25% of the family household income. This means test is applied to uninsured and underinsured patients with income up to 500% of the Federal Poverty Guidelines.

5. **MedStar Uniform Financial Assistance Application**

   A uniform financial assistance data collection document. The Maryland State Uniform Financial Assistance Application will be used by all MedStar hospitals and hospital-based physician practices regardless of the hospital or practice geographical locations.

6. **MedStar Patient Information Sheet**

   A plain language summary that provides information about MedStar's Financial Assistance Policy, and a patient's rights and obligations related to seeking and qualifying for free or reduced cost medically necessary care. The Maryland State Patient Information Sheet format, developed through the joint efforts of Maryland Hospitals and the Maryland Hospital Association, will be used by all MedStar hospitals and hospital-based physician practices regardless of the hospital or practice geographical locations.

7. **AGB – Amount Generally Billed**

   Amounts billed to patients who qualify for Reduced-Cost Sliding Scale Financial Assistance.

Responsibilities

1. MedStar Health will widely publicize the MedStar Financial Assistance Policy by:

   1.1 Providing access to the MedStar Financial Assistance Policy, Financial Assistance Applications, and MedStar Patient Information Sheet on all hospital websites and patient portals.

   1.2 Providing hard copies of the MedStar Financial Assistance Policy, MedStar Uniform Financial Assistance Application, and MedStar Patient Information Sheet to patients upon request.

   1.3 Providing hard copies of the MedStar Financial Assistance Policy, MedStar Uniform Financial Assistance Application, and MedStar Patient Information Sheet to patients upon request by mail and without charge.

   1.4 Providing notification and information about the MedStar Financial Assistance Policy by:

       1.4.1 Offering copies as part of all registration or discharges processes, and answering questions on how to apply for assistance.
       1.4.2 Providing written notices on billing statements.
       1.4.3 Displaying MedStar Financial Assistance Policy information at all hospital registration points.
       1.4.4 Translating the MedStar Financial Assistance Policy, MedStar Uniform Financial Assistance Application, and the Medstar Patient Information Sheet into primary languages of all significant populations with Limited English Proficiency.

   1.5 MedStar Health will provide public notices yearly in local newspapers serving all hospital target populations.

   1.6 Providing samples documents and other related material as attachments to this Policy

       1.6.1 Appendix #1 – MedStar Uniform Financial Assistance Application
       1.6.2 Appendix #2 – MedStar Patient Information Sheet
       1.6.3 Appendix #3 – Translated language listing for all significant populations with Limited English Proficiency (documents will be available upon request and on hospital websites and patient portals
       1.6.4 Appendix #4 – Hospital Community Served Zip Code listing
       1.6.5 Appendix # 5 – MedStar Financial Assistance Data Requirement Checklist
       1.6.6 Appendix #6 – MedStar Financial Assistance Contact List and Instructions for Obtaining Free Copies and Applying for Assistance
       1.6.7 Appendix #7 – MedStar Health FAP Eligible Providers

2. MedStar will provide a financial assistance probable and likely eligibility determination to the patient within two business days from receipt of the initial financial assistance application.

   2.1 Probable and likely eligibility determinations will be based on:

       2.1.1 Receipt of an initial submission of the MedStar Uniform Financial Assistance Application.

   2.2 The final eligibility determination will be made and communicated to the patient based on receipt and review of a completed application.

       2.2.1 Completed application is defined as follows:

           2.2.1.a All supporting documents are provided by the patient to complete the application review and decision process.
           - See Appendix #5 – MedStar Financial Assistance Data Requirement Checklist
           2.2.1.b Application has been approved by MedStar Leadership consistent with the MedStar Adjustment Policy as related to signature and dollar limits protocols.
           2.2.1.c Pending a final decision for the Medicaid application process.

3. MedStar Health believes that its patients have personal responsibilities related to the financial aspects of their healthcare needs. Financial assistance and periodic payment plans available under this policy will not be available to those patients who fail to fulfill their responsibilities. For purposes of this policy, patient responsibilities include:

   3.1 Comply with providing the necessary financial disclosure forms to evaluate their eligibility for publicly-funded healthcare programs, charity care programs, and other forms of financial assistance. These disclosure forms must be completed accurately, truthfully, and timely to allow MedStar Health's facilities to properly counsel patients concerning the availability of financial assistance.

   3.2 Working with MedStar hospital Patient Advocates and Patient Financial Services staff to ensure there is a complete understanding of the patient's financial situation and constraints.

   3.3 Making applicable payments for services in a timely fashion, including any payments made pursuant to deferred and periodic payment schedules.

   3.4 Providing updated financial information to MedStar hospital Patient Advocates or Customer Service Representatives on a timely basis as the patient's financial circumstances may change.

   3.5 It is a patient's responsibility, during their 12-month eligibility period, to notify MedStar Health of their existing household eligibility for free care, reduced cost-care, and/or eligibility under medical hardship provisions for medical necessary care received during the 12-month eligibility period.

   3.6 In the event a patient fails to meet these responsibilities, MedStar reserves the right to pursue additional billing and collection efforts. In the event of non-payment billing, and collection efforts are defined in the MedStar Billing and Collection Policy. A free copy is available on all hospital websites and patient portals via the following URL: **www.medstarhealth.org/FinancialAssistance** , or by call customer service at 1-800-280-9006.

4. Uninsured patients of MedStar Health's facilities may be eligible for full financial assistance or partial sliding-scale financial assistance under this policy. The Patient Advocate and Patient Financial Services staff will determine eligibility for full financial assistance and partial sliding-scale financial assistance based on review of income for the patient and their family (household), other financial resources available to the patient's family, family size, and the extent of the medical costs to be incurred by the patient.

5. **ELIGIBILITY CRITERIA FOR FINANCIAL ASSISTANCE**

   5.1 Federal Poverty Guidelines. Based on household income and family size, the percentage of the then-current Federal Poverty Level (FPL) for the patient will be calculated.

      5.1.1 Free Care: Free Care (100% Financial Assistance) will be available to uninsured patients with household incomes between 0% and 200% of the FPL. FPL's will be updated annually.

      5.1.2 Reduced Cost-Care: Reduced Cost-Care will be available to uninsured patients with household incomes between 200% and 400% of the FPL. Reduced Cost-Care will be available based on a sliding-scale as outlined below. Discounts will be applied to amounts generally billed (ABG). FPL's will be updated annually.

      5.1.3 Ineligibility: If this percentage exceeds 400% of the FPL, the patient will not be eligible for Free Care or Reduced Cost-Care assistance (unless determined eligible based on Medical Hardship criteria, as defined below). FPL's will be updated annually.

5.2 Basis for Calculating Amounts Charged to Patients: Free Care or Reduced-Cost Care Sliding Scale Levels:

Adjusted Percentage of Poverty Level	Financial Assistance Level Free / Reduced-Cost Care	
	HSCRC-Regulated Services	Washington Hospitals, Hospital-Based Physician Practices, and non-HSCRC Regulated Services
0% to 200%	100%	100%
201% to 250%	40%	80%
251% to 300%	30%	60%
301% to 350%	20%	40%
351% to 400%	10%	20%
more than 400%	no financial assistance	no financial assistance

5.3 **MedStar Health Hospitals and Hospital-Based Physician Practices** will comply with IRS 501(r) requirements on limiting the amounts charged to uninsured patients seeking emergency and medically necessary care.

5.3.1 The MedStar Health calculation for AGB will be the amount Medicare would allow for care, including amounts paid or reimbursed and amounts paid by individuals as co-payments, co-insurance, or deductibles.

5.3.2 Amounts billed to patients who qualify for Reduced-Cost Sliding Scale Financial Assistance will not exceed the amounts generally billed (AGB).

Example:

GROSS CHARGES	MEDICARE ALLOWABLE AGB AMOUNT	**PATIENT ELIGIBLE FOR SLIDING SCALE ASSISTANCE	FINANCIAL ASSISTANCE AMOUNT APPROVED AS A % OF THE MEDICARE ALLOWABLE AGB AMOUNT	PATIENT RESPONSIBILITY
$1,000.00	$800.00	40%	$320.00	$480.00
**Sliding Scale % will vary per Section 5.2 - Basis for Calculating Amounts Charge Patients in this Policy				

6. **FINANCIAL ASSISTANCE: ADDITIONAL FACTORS USED TO DETERMINE ELIGIBILITY FOR MEDICAL ASSISTANCE: MEDICAL HARDSHIP.**

6.1 MedStar Health will provide Reduced-Cost Care to patients with household incomes between 201% and 500% of the FPL that, over a 12-month period, have incurred medical debt at the same hospital or hospital-based physician practice in excess of 25% of the patient's household income. Reduced Cost-Care will be available based on a sliding-scale as outlined below.

6.2 A patient receiving reduced-cost care for medical hardship and the patient's immediate family members shall receive/remain eligible for Reduced Cost medically necessary care when seeking subsequent care for 12 months

beginning on the date which the reduced-care was received. It is the responsibility of the patient to inform the MedStar hospital and hospital-based physician practice of their existing eligibility under a medical hardship during the 12-month period.

6.3 If a patient is eligible for Free Care / Reduced-Cost Care, and Medical Hardship, the hospital and hospital-based physician practice will employ the more generous policy to the patient.

6.4 Medical Hardship Reduced-Care Sliding Scale Levels:

	Financial Assistance Level – Medical Hardship	
Adjusted Percentage of Poverty Level	HSCRC-Regulated Services	Washington Hospitals, Hospital-Based Physician Practices, and non-HSCRC Regulated Services
201% to 500%	Not to Exceed 25% of Household Income	Not to Exceed 25% of Household Income

EXAMPLE: Medical Hardship Calculation		
12-Month Medical Debt (A)	Annual Household Income	% Medical Debt to Annual Household Income
$25,000	$50,000	50.0%
25% Annual Household Income / Patient Responsbility (B)		
$12,500		
Medical Hardship Allowance = (A) less (B)		
$12,500		

7. **METHOD FOR APPLYING FOR FINANCIAL ASSISTANCE: INCOME AND ASSET DETERMINATION.**

7.1 Patients may obtain a Financial Assistance Application and other informational documents:

7.1.1 On Hospital Websites and Patient Portals via the following URL: **www.medstarhealth.org/FinancialAssistance**
7.1.2 From MedStar hospital Patient Advocates and/or Admission / Registration Associates
7.1.3 By contacting Patient Financial Services Customer Service
        - See Appendix #6 – Financial Assistance Contact List and Instruction for Obtaining Free Copies and How to Apply for Assistance

7.2 MedStar Health will evaluate the patient's financial resources **EXCLUDING**:

7.2.1   The first $250,000 in equity in the patient's principle residence
7.2.2   Funds invested in qualified pension and retirement plans where the IRS has granted preferential treatment
7.2.3   The first $10,000 in monetary assets e.g., bank account, stocks, CD, etc.

7.3 MedStar Health will use the MedStar Uniform Financial Assistance Application as the standard application. MedStar Health will require the patient to supply all documents necessary to validate information to make eligibility determinations.

7.4 Financial assistance applications and support documentation will be applicable for determining program eligibility one (1) year from the application date. Additionally, MedStar Health will consider for eligibility all accounts (including bad debts) 6 months prior to the application date.

8. **PRESUMPTIVE ELIGIBILTY**

8.1 Patients already enrolled in certain means-tested programs are deemed eligible for free care on a presumptive basis. Examples of programs eligible under the MedStar Health Financial Assistance Program would include but are not limited to:

    8.1.1 Maryland Supplemental Nutritional Assistance Program (SNAP)
    8.1.2 Maryland Temporary Cash Assistance (TCA)
    8.1.3 All Dual eligible Medicare / Medicaid Program – SLMB QMB
    8.1.4 All documented Medicaid Spend Down amounts as documented by Department of Social Services
    8.1.5 Other Non-Par Payer Programs

MedStar Health will continually evaluate any publicly-funded programs for eligibility under the Presumptive Eligibility provision of this policy.

8.2 Additional presumptively eligible categories will include with minimal documentation:

    8.2.1 Homeless patients as documented during the registration/clinical intake interview processes.
    8.2.2 Deceased patients with no known estate based on medical record documentation, death certificate, and confirmation with Registrar of Wills.
    8.2.3 MedStar Health will utilize automated means test scoring campaigns and databases to determine presumptive financial assistance eligibility. Patients determined to have income scoring up to 200% of the FPL will be deemed presumptively eligible for financial assistance.

8.3 Patients found to be eligible for Presumptive Eligibility, as defined in 8.1 and 8.2 of this policy, are automatically waived from Program Exclusions as defined in the Exclusion section of this policy.

9. **MEDSTAR HEALTH FINANCIAL ASSISTANCE APPEALS**

9.1 In the event a patient is denied financial assistance, the patient will be provided the opportunity to appeal the MedStar Health denial determination.

9.2 Patients are required to submit a written appeal letter to the Director of Patient Financial Services with additional supportive documentation. Contact information for submission an appeal will be found on the MedStar denial determination letter sent to the patient.

9.3 Appeal letters must be received within 30 days of the financial assistance denial determination.

9.4 Financial assistance appeals will be reviewed by a MedStar Health Appeals Team. Team members will include the Director of Patient Financial Services, Assistance Vice President of Patient Financial Services, and the hospital's Chief Financial Officer.

9.5 Denial reconsideration decisions will be communicated, in writing, within 30 business days from receipt of the appeal letter.

9.6 If the MedStar Health Appeals Panel upholds the original denial determination, the patient will be offered a payment plan.

10. **PAYMENT PLANS**

    10.1   MedStar Health will make available payment plans to uninsured or underinsured patients with household income above 200% of the Federal Poverty Guidelines who do not meet eligibility criteria for the MedStar Financial Assistance or Financial Assistance Programs.

    10.2   Patients to whom discounts, payment plans, or financial assistance are extended have continuing responsibilities to provide accurate and complete financial information. In the event a patient fails to meet these continuing responsibilities, MedStar Health will pursue collections of open patient balances per the MedStar Corporate Billing and Collection Policy. MedStar reserves the right to reverse financial assistance account adjustments and pursue the patient for original balances owed.

11. **BAD DEBT RECONSIDERATIONS AND REFUNDS**

    11.1   In the event a patient who, within a two (2) year period after the date of service was found to be eligible for free care on that date of service, MedStar Health will initiate a review of the account(s) to determine the appropriateness for a patient refund for amounts collected exceeding $25.

    11.2   It is the patient's responsibility to request an account review and provide the necessary supportive documentation to determine free care financial assistance eligibility.

    11.3   If the patient fails to comply with requests for documentation, MedStar Health will document the patient's non-compliance. The patient will forfeit any claims to a patient refund or free care assistance.

    11.4   If MedStar Health obtains a judgment or reports adverse information to a credit reporting agency for a patient that was later to be found eligible for free care, MedStar Health will seek to vacate the judgment or strike the adverse information.

Exclusions

1 **PROGRAM EXCLUSIONS**

The MedStar Health Financial Assistance Program excludes the following from financial assistance eligibility:

    1.1 Insured patients who may be "underinsured" (e.g. patient with high deductibles/coinsurance) who do not meet Medical Hardship eligibility as defined in Section 6 of this Policy.

    1.2 Patients seeking non-medically necessary services, including cosmetic procedures.

    1.3 Non-US Citizens and Foreign-Nationals traveling in the United States seeking medical care.

    1.4 Patients residing outside a hospital's defined zip code service area.

    1.5 Patients that are non-compliant with enrollment processes for publicly-funded healthcare programs, charity care programs, and other forms of financial assistance.

2 **SPECIAL WAIVERS TO PROGRAM EXCLUSIONS**

    2.1 Non-US Citizens with permanent resident /resident alien status as defined by the Bureau of Citizenship and Immigration Services have been issued a green card who can provide proof of residency within the defined hospital service area.

    2.2 Non-US Citizens with approved political asylum status as per documentation from the Bureau of Citizenship and Immigration Services who can provide proof of residency within the defined hospital service area.

2.3 All other non-US citizens who can provide proof of residency within the United States and the defined hospital service area. Proof of residency documentation would include gas and electric bills, pay stubs, bank statements, rent statements, etc. Non-citizen must first apply for Medical Assistance Emergency Services eligibility and other overage programs.

2.4 Hospital defined zip code service area requirements will be waived for:

2.4.1 Patient referrals between the MedStar Health Network System.

2.4.2 Patients arriving for emergency treatment via land or air ambulance transport.

As stated above, patients to whom discounts, payment plans, or financial assistance are extended have continuing responsibility to provide accurate and complete financial information. In the event a patient fails to meet these continuing responsibilities, the patient will become financially responsible for the original amount owed, less any payments made to date.

MedStar Health Financial Assistance Policy (FAP)

MedStar Health is committed to ensuring that uninsured patients within its service area who lack financial resources have access to emergency and medically necessary hospital services. If you are unable to pay for medical care, have no other insurance options or sources of payment including Medical Assistance, litigation or third-party liability, you may qualify for Free or Reduced Cost Medically Necessary Care.

MedStar Health meets or exceeds the legal requirements by providing financial assistance to those individuals in households below 200% of the federal poverty level and reduced cost-care up to 400% of the federal poverty level and will not exceed the amounts generally billed (AGB).

Patient's Rights

MedStar Health will work with their uninsured patients to gain an understanding of each patient's financial resources.

- They will provide assistance with enrollment in publicly-funded entitlement program (e.g. Medicaid) or other considerations of funding that may be available from other charitable organizations.
- If you do not qualify for Medical assistance, or financial assistance, your may be eligible for an extended payment plan for hospital medical bills.
- If you believe you have been wrongfully referred to a collection agency, you have the right to contact the hospital to request assistance. (See contact information below).
