PART V, SECTION B, LINE 3J: MCCREADY'S STAFF MEMBERS MEET WITH LOCAL SCHOOLS AND HEALTH DEPARTMENTS REGULARLY TO DISCUSS HEALTH NEEDS IN THE LOCAL COMMUNITY. IN 2005, THE MCCREADY FOUNDATION WAS INVOLVED WITH A CONSORTIUM OF AREA HEALTH CARE PROVIDERS WHICH INCLUDED ALL THREE AREA HOSPITALS (MCCREADY, PENINSULA REGIONAL MEDICAL CENTER, AND ATLANTIC GENERAL HOSPITAL), LOCAL HEALTH DEPARTMENTS, AS WELL AS AREA SCHOOLS AND OTHER AGENCIES. THE TEAM DEVELOPED THE TRI-COUNTY SURVEY THAT WAS SENT TO LOWER SHORE RESIDENTS. THE RESULTS OF THE SURVEY WERE USED TO IDENTIFY HEALTH CARE NEEDS IN THE TRI-COUNTY AREA (WICOMICO, WORCESTER, SOMERSET) AND PROGRAMS WERE DEVELOPED IN RESPONSE TO THAT SURVEY. STUDY IDENTIFIED THE FOLLOWING MEDICAL CONDITIONS TO BE THE MOST PREVALENT IN THE COMMUNITY: DIABETES, HEART AND LUNG DISEASE, CANCER, **OBESITY AND** METABOLIC SYNDROME. A 2009 SURVEY WAS CONDUCTED BY THE SAME STAKEHOLDERS PARTICIPATING IN THE 2005 STUDY TO ADDRESS ANT POTENTIALLY NEW AREAS OF CONCERN IN THE COMMUNITY. AS THE NEW FINDINGS DEVELOPED, MCCREADY'S MEDICAL AND NURSING STAFFS WORKED WITH THE FOUNDATION'S LEADERSHIP TO DETERMIN WHICH COMMUNITYNEEDS MCCREADY COULD HELP ADDRESS. THE MCCREADY FOUNDATION CONTINUED ITS WORK WITH THE SOMERSET COUNTY HEALTH DEPARTMENT TO IDENTIFY MEDICALLY INDEGENT WOMEN IN THE COMMUNITY AND PROVIDE THEM WITH FREE PREVENTIVE WOMEN'S HEALTH SERVICES. THE PROGRAM PROVIDES FREE MAMMOGRAMS, SCREENING SURGERY, IF NECESSARY. THE PROGRAM IS PARTIALLY FUNDED THROUGH A GRANT RECEIVED BY THE HEALTH DEPARTMENT. INDEPENDENT AUDITORS' REPORT

To the Management and Board of Directors The McCready Foundation, Inc. Crisfield, Maryland

Report on the consolidated financial statements

We have audited the accompanying consolidated financial statements of The McCready Foundation, Inc. (a nonprofit organization) and affiliates, which comprise the consolidated statements of financial position as of June 30, 2018 and 2017, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

Auditor's responsibility (Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of The McCready Foundation, Inc. and affiliates as of June 30, 2018 and 2017, changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position on pages 20 - 21, the consolidating statements of activities on page 22, and the statements of activity by organization on pages 23 - 26 are presented for the purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects to the consolidated financial statements as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2018 AND 2017

ORGANIZATION

The McCready Foundation, Inc. (Foundation) is located in Crisfield, Maryland. The Foundation consists of The Edward W. McCready Memorial Hospital (Hospital), The Alice Byrd Tawes Nursing Home (Nursing Home), Chesapeake Cove Assisted Living Center (Chesapeake Cove), and The McCready Foundation, Inc. Endowment Fund (Endowment Fund). These four organizations are controlled by a common Board of Directors and Chief Executive Officer that operates under the name of The McCready Foundation, Inc. (the Parent Organization). The consolidated financial statements consist of a combination of the individual financial statements of the Hospital, Nursing Home, Chesapeake Cove, and Endowment Fund with eliminations of certain inter-entity balances and transactions.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial statement presentation

The Organization has adopted the provisions of the American Institute of Certified Public Accountants' *Audit and Accounting Guide for Not-For-Profit Entities* in the presentation of its financial information.

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, including contributions, are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> - Net assets that are not subject to donor-imposed restrictions.

<u>Temporarily restricted net assets</u> - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. As of June 30, 2018, the Organization had no temporarily restricted net assets.

<u>Permanently restricted net assets</u> - Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization. As of June 30, 2018, the Organization has no permanently restricted net assets.

Cash and cash equivalents

Cash and cash equivalents include certain investments in highly liquid debt instruments with original maturities of three months or less.

JUNE 30, 2018 AND 2017

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Inventories

Inventories, which primarily consist of medical supplies and drugs, are carried at the lower of cost or net realizable value. Cost is determined using the first-in, first-out method.

<u>Investments</u>

The Foundation's investment policies follow conservative guidelines desired to yield modest returns on low-risk investments. The investment policy reflects a modest objective with only investments in cash products, such as certificates of deposit, encouraged. The only exception to this conservative approach are the funds that were placed in the custody of the Community Foundation of the Eastern Shore (CFES).

The Foundation has accepted the valuation of assets as provided by the CFES which has adopted the Financial Accounting Standards Board "Accounting Standards Codification." Under FASB, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the consolidated statement of financial position. Unrealized gains and losses are included in the change in net assets.

Accounts receivable and allowances

The Organization's policy is to write off all patient accounts that have been identified as uncollectible. A reserve for uncollectible receivables is recorded for accounts not yet written off that are anticipated to become uncollectible in future periods. When determining the allowance, the policy considers the probability of recoverability of accounts based on historical write-offs, net of recoveries, as well as an analysis of the aged accounts receivable balances with allowances generally increasing as the receivable ages. The analysis of receivables is performed monthly, and the allowances are adjusted accordingly.

A reserve for uncollectible receivables has been established based on private pay, insurances and sliding scale fees. The reserve is estimated at \$1,401,793 and \$1,253,642 as of June 30, 2018 and 2017, respectively. Recoveries of accounts previously written off are recorded as a reduction to bad debt expense when received. Interest is not charged on patient accounts receivable.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and equipment

Expenditures for property, equipment, and improvements are capitalized at cost. Equipment expenditures of \$500 or less are charged to expense. Ordinary repairs and maintenance are charged to expense when incurred. Donated assets are capitalized, and recorded as support, at their fair value at the date of receipt. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment, are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which are as follows:

	Life
Land improvements	10 - 50 years
Buildings	10 - 50 years
Fixed equipment	5 years
Major moveable equipment	10 - 20 years

Donations and bequests

Unconditional promises to give and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily restricted or permanently restricted if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions.

Donated services

No amounts have been reported in the financial statements for donated services or materials. The organization generally pays for services requiring specific expertise.

Income taxes

The Parent Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. The Parent Organization files a consolidated form 990 that includes all activities of The Edward W. McCready Memorial Hospital, The Alice Byrd Tawes Nursing Home, Chesapeake Cove Assisted Living, and The McCready Foundation, Inc. Endowment Fund.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2018 AND 2017

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income taxes (continued)

Under the requirements of Financial Accounting Standards Board (FASB) ASC 740, "Income Taxes", tax-exempt organizations could be required to record an obligation as the result of a tax position they have historically taken on various tax exposure items. As of June 30, 2018, the Parent Organization has determined that it does not have any uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

Net patient service revenue

Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Revenue under third-party agreements is subject to audit and retroactive adjustment. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered. Differences between the estimated amounts accrued and interim and final settlements are reported in operations in the year of settlement.

The Foundation has agreements with third-party payors that provide for payments to the hospital at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, and per diem payments.

The following estimated adjustments were made to gross patient revenues for the years ended June 30, 2018 and 2017:

2010

2017

	2018	2017
Gross patient service revenue	\$ 28,971,818	\$ 28,016,728
Less charity care and contractual adjustments	(4,649,696)	(5,318,859)
Net patient service revenue	\$ 24,322,122	\$ 22,697,869

The Foundation's revenues may be subject to adjustments as a result of examination by government agencies or contractors, and as a result of differing interpretation of government regulations, medical diagnosis, charge coding, medical necessity, or other contract terms. The resolution of these matters, if any, often is not finalized until subsequent to the period during which the services were rendered.

Medicare and Medicaid

Services rendered to Medicare and Medicaid program beneficiaries are paid at prospectively determined rates per visit. The Foundation is reimbursed for cost reimbursable items at a tentative rate with final settlement determined after submission of an annual cost report and audits thereof by the Medicare fiscal intermediary.

Commercial carriers

The Foundation has also entered into payment agreements with certain commercial insurance carriers. The basis for payment to the Foundation is based on charges for services provided to the patients.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2018 AND 2017

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events

Management has evaluated subsequent events through October 29, 2018, the date the consolidated financial statements were available and approved to be issued.

ADVERTISING

The Foundation's policy is to expense advertising costs as the costs are incurred. Total advertising, marketing and development costs for the years ended June 30, 2018 and 2017 amounted to \$132,959 and \$100,012, respectively.

CASH AND CASH EQUIVALENTS

All cash and cash equivalent funds are in local banks and are secured up to \$250,000, per bank, by the Federal Deposit Insurance Corporation (FDIC), an agency of the Federal government. The bank accounts of all four organizations controlled by The McCready Foundation, Inc. have been opened as accounts of The McCready Foundation, Inc. As a result, these four organizations are subject to FDIC as one entity. As of June 30, 2018, The McCready Foundation, Inc. has cash balances totaling \$934,131 in excess of the amount insured by the FDIC.

CHARITY CARE

The Foundation provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Foundation does not pursue collection of amounts determined to qualify as charity care. The amount of charges foregone for services and supplies furnished under the Foundation's charity care policy aggregated approximately \$326,004 and \$307,205 in the years ended June 30, 2018 and 2017, respectively.

INVESTMENTS MAINTAINED BY COMMUNITY FOUNDATION OF THE EASTERN SHORE

During the year ended June 30, 2011, the Foundation established a fund in the amount of \$105,000 with the Community Foundation of the Eastern Shore (CFES) in order to develop a constant stream of income. CFES is a community based charitable organization established to support worthwhile projects in Wicomico, Worcester, and Somerset Counties. The CFES fund is managed by third party investment managers in a diversified portfolio. The principal of this fund is considered unrestricted. Written board approval is required to draw on the principal of the fund. The balances of the account at June 30, 2018 and 2017 were \$253,244 and \$230,828, respectively. Unrealized gain (loss) on investments represents the Foundation's share of CFES's realized and unrealized gains and losses, interest and dividends.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2018 AND 2017

COMMITMENTS AND CONTINGENCIES

The Foundation's charges are subject to review and approval by the Maryland Health Services Cost Review Commission. Until such review has been completed and approved, there exists a contingent liability to repay amounts in excess of allowable charges.

The Foundation has elected the reimbursement method of Maryland unemployment coverage whereby the organization reimburses the State of Maryland Unemployment Insurance Fund for unemployment claims charged against its account. These amounts are recorded as expense when a bill is received from the State of Maryland Department of Labor, Licensing, and Regulation Division of Unemployment Insurance. No accrual for estimated unassessed reimbursements has been made since the amount charged to an employer's account is subject to complex rules and management believes any reimbursement to be assessed will not be material. Unemployment claims for fiscal years 2018 and 2017 were \$21,523 and \$23,142 respectively.

EMPLOYEE PENSION PLAN - DEFINED CONTRIBUTION

The Foundation provides a two percent employer pension contribution with a salary cap of \$100,000 per year. The two percent employer contribution is not a match but an across the board contribution to all full time employees who have been employed for one year or more. Both full time and part time employees are allowed to participate in the plan through payroll deductions. Employer contributions to the plan for the years ended June 30, 2018 and 2017 amounted to \$142,499 and \$138,379 respectively.

CONCENTRATION OF CREDIT RISK

At June 30, 2018, the Foundation received a substantial amount of its support from Medicaid and Medicare. A reduction in the level of this reimbursement, if this were to occur, may have an effect on the organization's activities.

Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimated revenue will change by a material amount in the near term.

The Foundation elected to be self-insured for employee health insurance up to a cap of about \$1.5 million. The Foundation's actual cost for the year ended June 30, 2018 and 2017 were \$1,335,504 and \$1,359,118 respectively.

OPERATING LEASES

As of June 30, 2018, the Foundation had several non-cancelable operating lease agreements for the rental of various pieces of equipment expiring from 2018 to 2019. Minimum rentals, on an annual basis, are as follows:

		E	quipment
Fiscal Year ending June 30,	2018 2019	\$	126,697 19,202
		\$	145,899

RISK MANAGEMENT

The Hospital is exposed to various risk of losses related to torts; theft of; damage to; and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Hospital has obtained coverage from commercial insurance companies for these risks. There were no significant reductions in insurance coverage from the prior year. No settlements exceeded insurance coverage in the past three fiscal years.

PRIOR PERIOD ADJUSTMENT

In 2017 the Hospital understated its depreciation. The adjustment to unrestricted net assets is as follows:

Unrestricted net assets at June 30, 2017, as previously reported	\$ 11,800,167	
Adjustment for depreciation	(49,758)	
Unrestricted net assets at June 30, 2018, as restated	\$ 11,750,409	

In 2017 the Nursing Home understated its depreciation. The adjustment to unrestricted net assets is as follows:

FAIR VALUE MEASUREMENT

The framework for measuring for fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs other than quoted prices included within Level 1, to the valuation methodology include
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

FAIR VALUE MEASUREMENT (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Endowment Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date

The following table sets forth by level, within the fair value hierarchy, the Endowment Fund's assets at fair value as of June 30, 2018 and 2017:

NEW ACCOUNTING STANDARDS

FASB issued Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The new standard is geared towards improving non-profit financial statements and to provide more useful information to users. Major changes include the classification of net assets in two classes, net assets with donor restrictions and net assets without donor restrictions, as opposed to the three classes currently used. In addition, additional information will be required to report on spendable financial resources. The new standard will be effective for the year ended June 30, 2019.

FASB issued Accounting Standards Update (ASU) No. 2016-02, *Leases*. Under the new guidance, a lessee will be required to recognize assets and liabilities for leases with lease terms of more than 12 months. Consistent with current Generally Accepted Accounting Principles (GAAP), the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. However, unlike current GAAP—which requires only capital leases to be recognized on the balance sheet—the new ASU will require both types of leases to be recognized on the balance sheet. The new guidance on leases will take effect for the year ended June 30, 2021.
