- Performance years coincide with fiscal years (PY1 - July 2017 – June 2018).
- TCOC guardrail and incentive pool calculations coincide with the calendar year prior to the beginning of the performance year (TCOC/Incentive pool for PY1 is calendar year 2016).
- State-wide TCOC guardrail achieved in 2016 will be used for PYs 1 and 2 so that hospitals/providers have a grace period to monitor/understand hospital specific TCOC while building momentum and relationships with aligned physicians.
